

EARLY CRUSADER

The early crusader style draws inspiration from the Taung, the first mandalore and founders of mandalorian culture. Crafted from bone and leather, this armor represents the earliest mandalorian aesthetic, used during the great sith war. Wearers are invited to channel the primal roots of mandalorian history.

SOFT PARTS

Soft costume elements from other eras are prohibited.

FLAK VEST & FLIGHT SUIT

- Fully "sealed" flight suit is required (no visible skin). A neck seal is required if the collar does not fully cover the neck.
- Flak vests are not required.
- Leather or leather-like materials are highly recommended.

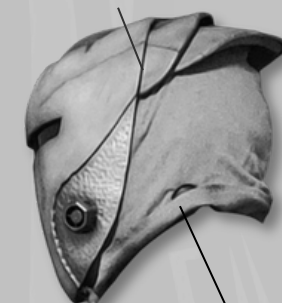

BELT & AMMO POUCHES

- At least one of the following:
 - Ammo/girth/holster belt or waist sash
- Made of leather, leather-like, or natural fibers – no nylon webbing or strapping.

OTHER SOFT PARTS

- Full-fingered gloves are required.
- Ponchos, full or half capes, kamas, and loincloths are allowed.
- If using a mask-style helmet, a full cowl or head covering is required.
- Dusters are prohibited.

Early Crusader Mask

Soft Cowl

HELMET

- Mandalorian helmet or mask from Early/Sith Wars era.
- "T" or "Y" style visor.
- Features breathing hoses/tubes.

Custom helmet w/ breathing tubes

BACK COVERING

- A form of back covering, which can include but is not limited to:
 - Back Armor
 - Backpack
 - Air Tank
 - Cape, poncho, etc.

Air tank

• Note: Jetpacks are not approvable for Early Crusader.*

GAUNTLETS

- Armor or rigid covering on the forearms is required. This includes, but is not limited to:
 - Gauntlets
 - Hard Bracers
 - Quality Handwraps
- Armored hand plates are optional.

Bone and leather bracers

LOWER BODY

- Cod coverage is required in the form of a padded/hard cod or loincloth.
- Shin and knee coverage is required; shnees (knee + shin combo) can be worn in place of knees.
- Thigh armor is highly encouraged.

Loin cloth

HELMET LIST

Helmet w/ Breathing Tubes

Leather or Leather-like Soft Parts

Large Shoulder

One-piece Chest + Ab

Gauntlets, Braces, Wraps

Full-fingered Gloves

Girth belt

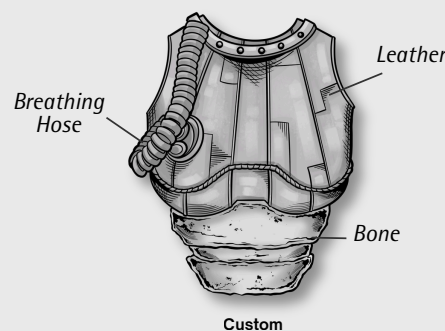

Hard Cod

Knee Armor

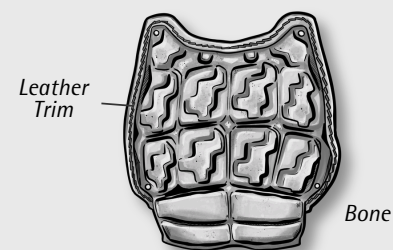

Shin Coverage

CHEST ARMOR

- One-piece chest armor with ab plate, styled to resemble bone, leather, or rough-pounded metal.

Custom

Custom

- Both shoulders are required. Most designs are large and fully cover the shoulder joint.

Style is based on visuals from the Dark Horse comic run, "Star Wars: Tales of the Jedi"; costume elements must reflect published references from this era.

Armor from other eras is prohibited.*
