

# BEAST TAMER

## BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

*Beast Tamers focus on mastering, not defeating, dangerous beasts. Through patience and skill, they raise and train creatures for battle, labor, or spectacle. Whether controlling a rancor in the arena or leading a convoy of trained beasts across a planet, they command the respect of even the wildest creatures.*

### BEAST TAMER WEAPONS

Beast Tamers rely on patience, discipline, and experience to work alongside dangerous creatures. Whether protecting themselves or subduing an unruly beast, they carry weapons suited to maintaining control without unnecessary harm.

### WEAPONS

Reliable and versatile, a good blade serves as both a survival tool and a last line of defense when working with dangerous creatures.

Vibro Knives

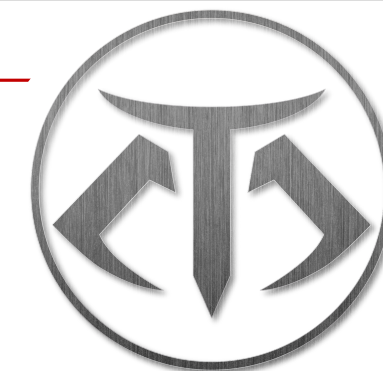

Minimum required armor includes collar, chest, abdomen, back, cod/armored loin cloth, shoulders, gauntlets, and knees. Era-specific requirements apply regardless of which BRL is selected.

### ARMOR

### BEAST TAMER FEATURES

- **Helmet:** Helmets should be free of fragile or cumbersome equipment. Some form of ornamentation is required, such as ridges, blades, mohawks, or Jaig eyes.
- **Colors:** There are no color requirements.
- **Weathering:** Heavy weathering is required and should include claw marks, bite marks, and other signs of frequent animal encounters.
- At least one forearm must feature a reinforced or padded bite guard in addition to standard armor requirements.
