

BEAST TRAINER

BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Beast Trainers are specialists in raising and conditioning creatures to serve as loyal partners in battle, hunting, and daily life. With patience and precision, they transform wild beasts into dependable mounts, guardians, and trackers. Their skill ensures that the best-trained companions in the galaxy bear the mark of a Mandalorian's hand.

BEAST TRAINER TOOLS

Training dangerous creatures requires skill, patience, and preparation. Beast Trainers carry a variety of weapons and tools that allow them to protect themselves while maintaining control of the animals in their care.

WEAPONS

A sturdy blade serves a variety of purposes, making it a constant companion when working with animals.

Vibro Blade

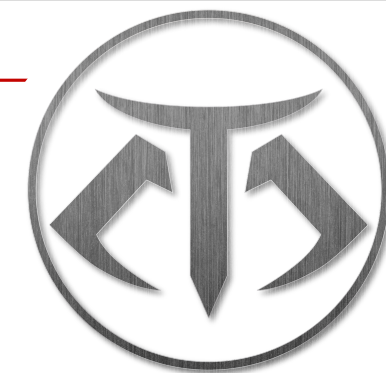

Mando Kal

Only PI Master Kits may apply for this brigade. Armor required includes helmet, chest/ab plates, and collar armor. Additional soft parts requirements are included for this brigade. See the BRL for detailed information.

ARMOR
