

FIELD OPERATIONS DIVISION

BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Field Ops warriors thrive in the wildest and harshest corners of the galaxy. From unforgiving environments to untamed beasts, they master survival where others would fall. These Mandalorians are guides, hunters, specialists, and vital support, are as skilled at enduring the wild as they are at shaping it to their advantage.

FIELD OPS BRIGADES

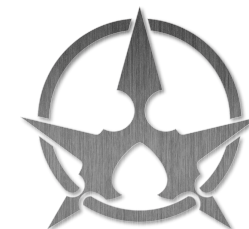

MEDICAL CORPS

The Medical Corps is a special brigade skilled in bringing not death, but healing. Medics have nerves of durasteel and the ability to remain calm and collected under pressure.

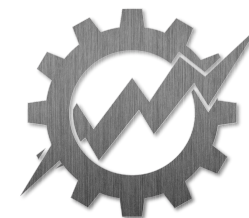

BEASTMASTERS

Beastmasters are well-versed in understanding the ways of animals, and well-prepared to face the uncharted wilds of the galaxy where the rarest and most dangerous beasts roam.

ENVIRO OPS

Enviro Ops are a highly specialized group, perfect for venturing into places no one else will go. They are masters of the extreme.

MOBILE ENGINEERS

Mobile Engineers are the quiet, vital specialists who make everything work, whether it be equipment, or the flow of communications.

LOREMASTERS

Loremasters embrace the traditions of the Mando'ade, recognizing the importance of preserving the creed and rediscovering ancient knowledge to strengthen Mandalore.
