BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a Brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Mandalorian Historians preserve the knowledge, traditions, and stories of the Mando'ade. Whether safeguarding ancient texts, teaching the next generation, or documenting current events, they ensure that the lessons of the past are never forgotten. Their armor reflects their role: practical, dignified, and dedicated to preserving the legacy of the Mandalorian people.
