

SPECIAL OPERATIONS

BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Stealth, speed, precision: Special Operations warriors are specialists who work alone or in small teams to accomplish high-value objectives. Whether infiltrating enemy strongholds, eliminating key personnel, or gathering critical intelligence, they strike without warning and disappear without a trace.

Sneaky, Sneaky, Kaboom!

ABOVE AND BEYOND.

EQUIPMENT EXAMPLES

Skeleton Key

Explosives

Ghillie Cape

APPROVED EXAMPLES

SPECIALTIES

RECON

Recon specialists move unseen ahead of the fight, gathering the intelligence that turns the battlefield itself into a weapon.

SNIPER

Patient, calculating, and deadly accurate, Snipers eliminate priority targets from beyond retaliation.

ACQUISITION OPERATIVE

Masters of stealth and improvisation, Acquisition Operatives slip past security, secure the objective, and vanish without a trace.

PRIVATEER

Bold raiders of the hyperspace lanes, Privateers seize ships, plunder cargo, and disappear into deep space.

ASSASSIN

Precise, relentless, and deadly, Assassins eliminate high-value targets before anyone can stop them.

SHADOW MASTER

Masters of stealth and infiltration, Shadow Masters strike unseen, proving that knowledge is power and stealth is strength.

CORSAIR

Fearless pirates of the stars, Corsairs live for freedom, battle, and the pursuit of plunder.
