

GUNSLINGER

BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Gunslingers are masters of the blaster, whether they favor sidearms, rifles, or exotic weapons. Their speed, accuracy, and deep knowledge of galactic firearms make them some of the deadliest shooters on any battlefield. Whether laying down withering crossfire or picking off foes with surgical precision, Gunslingers turn their chosen weapons into an art form. When overwhelming firepower is needed, call in a Gunslinger.
