

SHOCK INFANTRY BRIGADE

BRIGADES

MMCC Brigades represents a distinct set of professions, with specific costume requirements known as Brigade Requirement Lists (BRLs). Members wishing to join a brigade must meet both CRL and BRL requirements to apply for recognition.

CHOOSE YOUR PATH. HONOR YOUR SKILLS. GO ABOVE AND BEYOND.

Shock Infantry are the hard-hitting hammer of the battlefield, found as lone wolves, part of a mercenary crew, or flying the banners of larger galactic forces. Wherever they fight, they leave their mark... in smoke and wreckage.

SPECIALTIES

DROID HUNTER

Experts in defeating mechanical enemies through unorthodox means, Droid Hunters combine cutting-edge tech, combat skill, and slicing expertise to eliminate enemy droids, or even turn them against their masters.

HEAVY ASSAULT

Walking tanks, heavily armed, heavily armored, and utterly fearless. Heavy Assault specialists are built to overwhelm the enemy through sheer force, often inspiring surrender before the fight even begins. These warriors favor custom loadouts, aftermarket upgrades, and bleeding-edge weaponry, bringing unmatched firepower and battlefield presence wherever they deploy.

HEAVY WEAPONS

Known simply as "the Heavy," each of these warriors embodies firepower. Flamethrowers, cryoban projectors, rocket launchers, miniguns – whatever delivers maximum destruction, they wield it with devastating effect.
