

MASTER

Even when they are not actively participating in warfare for the Mando'ade, these individuals still stand out in the vibrant tapestry of the Galaxy. Wearing lightweight, stylized and decorated editions of their iconic soft parts, these warriors have each mastered diverse roles in their clans, highlighted by their highly decorative soft parts.

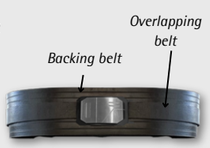

CAPES & PONCHOS

- A cape or poncho is required.
- Must be of a sturdy material and fit with the overall quality of the kit.
- One shoulder Fett style capes are permitted.

WAIST ITEMS

- Double belt OR girth belt/sash + ammo belt.
- Weapons may be holstered (i.e. knife sheathe, blaster holster).

HELMET LIST

SHIN COVERING

- Shin covering is required: wraps, gaiters, tall boots, etc.
- Made of quality fabric (heavy fabric, leather, vinyl, etc).

FLAK VEST

- Vest must be of a canon Mando style seen on live action series. Customizations permitted case-by-case.
- Tabard-style flak may be worn in styles and lengths based on screen references.

FLIGHT SUIT

- One or two piece suit that gives the illusion of being one piece.
- Double sleeve is required. Contrasting sleeve colors not permitted.
- Decorative topstitching based on visual references is required. Custom topstitching is approvable on a case-by-case basis.

GLOVES

- Long cuff gloves preferred. 2/3 length of the forearm and made of a substantial material.
- Full-fingered or fingerless is permitted.
- Forearm wraps are permitted. ust be made of vinyl, leather-like material, suede, or similar.

KAMA/LOINCLOTH/BATTLE SKIRT

- Kama is required and must be worn over the posterior. Must be constructed of a quality fabric (heavy fabric, leather-like, vinyl).
- Loin cloths permitted, but must be worn with a kama.
- Battle skirt permitted in lieu of a kama. Must be constructed of a heavy fabric.
- Canon and custom fabric embellishment are encouraged.

ACCESSORIES

The Post Imperial Master soft costume CRL has allowable accessories: the helmet and chest armor.

HELMET

- Required only for application. Optional for trooping.
- PI helmets based on live action Disney+ designs. Customizations permitted on a case by case basis.

CHEST

- Chest/ab armor is required. Custom designs based on canon Post Imperial designs are approvable. Ask QnA.
- Must be worn when trooping.
- Collar covering optional. Must be epaulettes or BoBF collar.

SOFT PROTECTION

- Soft protection is permitted if constructed from medium- heavy-weight, flexible materials.
- Rigid or armor-like fabric (mimics appearance or function of hard armor) may only be worn on one body area (i.e. arms, legs, shoulders) and may be approvable case by case.
